

**Course Code:** GERM E3015

**Course Title:** Structural Analysis, Interpretation of Non-Literarily Texts and Guided Writing (3 hours)

**Prerequisites:**

Pass in the Level II examination

**Learning outcome:**

The candidate must be able to understand and analyze the structure and content of a non-fictional text and show the ability to comment on and formulate hypothesis. For details of the relevant topics and themes please refer to the "Dossier for candidates offering German as a subject for the external degree."

**Assessment:**

A three-hour written examination 80%

The comprehension questions will be based on content and grammatical structures of a given text. The candidate is also expected to write a text and a formal letter.

Oral Exam contributing 20%

**Learning outcome:**

At the oral examination the candidate is expected to comment on the subject matter of the given short text and express his or her opinion in addition to questions regarding content and grammatical structures. For details of the relevant topics and themes please refer to the "Dossier for candidates offering German as a subject for the external degree."

**Recommended textbook:**
